HP JetDirect 300X OfficeConnect® Print Server

Single-port external print server provides high speed network printing solutions for small businesses

The HP JetDirect 300X OfficeConnect print server lets you share virtually any printer—whatever your needs.

The HP JetDirect 300X OfficeConnect® external print server, with HP Web JetAdmin printer management software, is a key component of HP's industry-leading network printing solution. As an integral part of the HP JetDirect family of internal and external print servers, the HP JetDirect 300X OfficeConnect is a 10/100BASE-TX external print server that provides easy migration from 10BASE-T to 100BASE-TX networks. Plus it's optimized to work with any HP or non-HP printer with a parallel port.*

Designed for use with the award-winning 3Com OfficeConnect family of products

Smart

Makes installation and management easier than ever.

- Includes multi-NOS/multiprotocol support for Ethernet and Fast Ethernet networks.
- Supports NDS, NDPS, SNMP, DHCP/WINS, and lpd.
- Includes automatic network/protocol switching for simplified printing in mixed environments.
- Auto-negotiates between 10 Mbps/100 Mbps speed and full-/half-duplex mode.
- LEDs automatically indicate a 10 Mbps or 100 Mbps connection.
- Includes OfficeConnect Network Assistant CD-ROM - a step-by-step guide to network set-up and operation
- Optimized for small business
- Clips to other OfficeConnect devices

Affordable

It's never been more cost effective to own and operate a network printer.

- Lets you turn virtually any printer with a parallel port into a network printer.
- 2 MB flash memory allows easy, fast upgrades over the network.
- Future proof any network printer for migration to 100BASE-TX networks.

Fast

Gives end users what they ask for—when they need it.

- Uses a high-speed bidirectional port.
- Transmits data to the printer at the highest speed possible.
- Maximizes network printing performance of virtually any HP or non-HP printer.*
